## THE HOP CRAFT PIZZA & BEER AT THE CORNER OF CARY & LOMBARDY, IN THE FAN

The Hop Craft Pizza & Beer was built on the principles of **quality and community**.

We incorporate traditional American/Sicilian pizza making techniques with modern flavor profiles to produce a unique style of pizza that is all our own. All our dough is made in-house, fermented for at least 48 hours, and baked at 550° in a flat top gas deck oven. We use Stanislaus Tomato products, Grande Whole Milk Mozzarella cheese and All Trumps Flour, unless otherwise noted. All our pizzas are available with vegan cheese and/or gluten-friendly crust.

We also believe that being a good neighbor is an essential part of any community and we are committed to supporting other local businesses. We offer a huge selection of beer from local breweries, outsource our desserts from a local bakery, and buy local produce.

And what kind of neighbors would we be if we didn't bring beer? We offer our entire selection of beer and wine for delivery. Call us or order online for delivery to your home, office, or business. We'll bring the beer!\*

Cheers!
